

Bulk Pricing on MCAT Official Prep Products

Bulk pricing is available to customers purchasing quantities of 10 or more of the same items. Customers are responsible for distributing and managing the digital products (as access codes) and print products to their end-users (i.e. students). Advisors and test prep company representatives should always use the "Code Bank" purchase option for online products, even for quantities less than 10.

Be sure to read the [Bulk Order Terms and Conditions](#) to review the additional conditions, including the prohibition on individual resale. Please also review the [AAMC MCAT Official Prep Hub Terms and Conditions](#). All MCAT Official Prep Products are nonrefundable. All online MCAT Official Prep products are accessible through the [AAMC MCAT Official Prep Hub](#).

If you are a prehealth advisor, you may qualify for a discount with no minimum purchase required. [Please see the MCAT Resources for Prehealth Advisors page for more information](#).

Setting Up Your Bulk Purchasing Discount

To be approved for bulk pricing, complete the Store Contact Form requesting Authorization to Purchase in Bulk or call the AAMC Store Team at 202-828-0416. Once approved, you will be granted privileges to purchase "Code Banks" in bulk with a 10%, 20% or 30% discount; your discount depends on the purchase quantity. Please see pricing chart towards the bottom of this page for exact pricing. Print products are not purchased as a code bank. Bulk pricing privileges will be valid for 3 years and will need to be renewed every 3 years by contacting the AAMC Store. You will not see the "Code Banks" option in the AAMC Store until you have been approved and the bulk pricing privileges have been added to your AAMC account. Don't forget to sign into the AAMC Store with your AAMC account credentials.

Be sure to read the [Bulk Order Terms and Conditions](#) to review the additional conditions, including the prohibition on individual resale. Please also review the [AAMC MCAT Official Prep Hub Terms and Conditions](#). All MCAT Official Prep Products are nonrefundable. All online MCAT Official Prep products are accessible through the [AAMC MCAT Official Prep Hub](#).

If you are a test prep company interested in purchasing products in bulk, please [find more information here](#).

About "Code Banks" and Managing your Bulk Purchases

The bulk, or "code bank," purchase option requires the use of the AAMC Access Code Management Tool (ACMT) to distribute access codes to students or individual end-users of the MCAT Official Prep product.

Code banks are created in ACMT by purchasing a code bank version of a product in the AAMC Store. The purchaser of the code bank is automatically assigned the role of code bank manager. As a code bank manager, you are responsible for distributing access codes. You are also able to resend codes, revoke codes, and monitor who has redeemed their codes through your ACMT account. You can personalize the emails that go out to your recipients and you can also elect to be notified when a code is redeemed.

Access codes are links distributed by email to individuals you enter in the AAMC Access Code Management Tool (ACMT). Upon receiving the email, the recipient will simply need to select the included redemption link. Recipients can then sign in to the MCAT Official Prep Hub with their existing AAMC credentials or they can create an AAMC account if they don't already have one.

Access the AAMC Access Code Management Tool (ACMT)

- Access the [ACMT login portal](#) using your AAMC username and password.
- View the [AAMC FAQs and User Guide](#).

How to Make a Purchase

To purchase MCAT Official Prep products for distribution to your students, once you have been approved with bulk pricing privileges:

1. Sign in with your AAMC account credentials and select "MCAT Prep" from the left-hand navigation.
2. Choose the "Code Banks" option to purchase online-only products.
Select the "Individual MCAT Official Prep Products" option if you are interested in purchasing print products.

**Please note that bundle discounts are based on the original retail value of the single products included in the bundle.*

If you are a Canadian customer or your order is shipping to Canada, please note that you will be charged an international shipping fee at the time of purchase and duties and taxes by Canada Customs. If you have any questions regarding duties and taxes in Canada, please refer to [Canada Border Services Agency](#).*

Frequently Asked Questions (FAQ)

Which MCAT Official Prep products should I purchase?

[Review our comparison chart.](#)

Why isn't my discount appearing?

If you are approved as an advisor, your discount will apply to all purchases. For online products, the discount will only apply to code banks. There are no code banks for print products, but the discount will be applied to the [regular listings](#). If you still do not see the discounted rate on the code bank or print products, please [contact the store to request the correct permissions](#).

I want to add someone else as a code bank manager, what should I do?

Please [contact the AAMC Store](#) with your order information and the name and the email address of the person whom you would like added as a code bank manager. Keep in mind that to locate the correct person we must have the exact email address associated with their AAMC account. We only have the ability to add code bank managers to specific code banks, so you will have to repeat the process more than once if you are interested in adding code bank managers to more than one code bank purchase.

How do I purchase the MCAT Official Prep Complete Bundle in bulk?

The Complete Bundle is not available for bulk purchasing. If you are interested in purchasing the all the items that are included in the MCAT Official Prep Complete Bundle, please add the code bank version of the Online-Only Bundle to your shopping cart and then add The Official Guide to the MCAT® Exam, Fifth Edition separately to your shopping cart.

How do I distribute and revoke access codes using ACMT?

For questions regarding ACMT, please refer to the [ACMT User Guide](#).

I sent my student an access code, but it has now expired. What should I do?

For security purposes, students have twenty-eight (28) days to redeem an access code link they receive from a code bank manager (i.e. an advisor/test prep company). If an access code link is not redeemed during that time, it will be re-added back to your total of remaining access codes. You can then issue a new code to the same recipient or another recipient. Only the code bank manager(s) can reissue the access code link. The AAMC is not able to reissue expired access codes. Please refer to the [ACMT User Guide](#) for instructions.
